Shadow & Light

- Yarn:** 1 x Tanis Fiber Arts Red Label Cash Silk Single
1 x Handmaiden Fine Yarn Maiden Hair
- Materials:** 5.0 mm circular needles (24" or 32")
- Gauge:** 16 sts / 4 inches in stockinette (exact gauge is not critical).

Loosely cast on 300 stitches with **Maiden Hair** yarn.

Place **marker A** and join to knit in the round knitting the first stitch through the back loop. Knit 24 more stitches and place **marker B** (the 25 stitches between markers are your fringe stitches). Knit next stitch through the back loop, continue knitting the round.

All rounds: *knit to marker, slip marker, knit 1 stitch through the back loop, repeat from*

Be sure to make all yarn transitions in the middle of the 25-stitch fringe section. You can simply drop the working strand and pick up the alternate strand at the back of your work and begin knitting. No need to twist these together as they will be cut at the end when the fringe is created.
